

AUSTRALIAN WOMEN'S
SOCCER ASSOCIATION

National Women's U/16s Soccer Championships

Perth
Western Australia
July 4th - 10th 1999

Gibbney Reserve
Queen Street
Maylands W.A.

While I am writing this foreword for the 1999 Junior National Championships, I am also preparing to travel to the United States to join our national team, The Matildas, in their 1999 World Cup Campaign. Over recent years the Matildas have shown great improvement and we now rank sixth in the world. While any World Cup is tremendously competitive, we expect to do well in this lead up to Sydney 2000. Our team is well prepared and have the right frame of mind. By the time you read this message, the majority of the World Cup will be over. I trust that you're beaming with the success of the Matildas.

Importantly, many of the Matildas played in these championships as recently as two or three years ago and the National Championships remain a vital component in our national development programme. There is much for the athletes at these championships to look forward to. While the biggest prize, Sydney, might be out of reach, we are currently negotiating to conduct the 2003 World Cup in Australia and are discussing the development of The Pacific Cup with our Pacific neighbours, Athens 2004 is surprisingly close.

There is no doubt that there are great opportunities in women's football. At the same time, with numbers and standards growing rapidly, those athletes who do succeed will have put in a great amount of work to get there. The challenge is yours.

I would like to acknowledge all those who have supported the athletes competing in these Championships, their parents and friends who have supported them financially, the state organisations who develop and promote the game and the coaches, support staff and referees. In particular I would like to thank Women's Soccer Western Australia's team of volunteers who have done so much to ensure that these Championships are the success that I know they will be.

Dennis O'Brien
President, Australian Women's Soccer Association

CHAMPIONSHIP RULES & REGULATIONS

(This is a summary of rules, for complete rules and regulations please see your manager)

1. The Australian Championships are open to teams representing single State Associations which are affiliated with the AWSA.
2. Junior National Championship players must be 16 years and under as of 1st January in the year of the competition.
3. The Tournament matches will be played in accordance with the Laws of the Game as contained in the Referees Chart and Players Guide to the Laws of the Game (current edition) as published by the Football Association (England) and as modified by these Playing Rules.
4. A size 5 ball must be used in all matches.
5. Duration of matches will be 2 x 35 minute halves, with a half-time period of no less than 5 minutes and no more than 10 minutes. Injury time will be allowed at the referee's discretion.
6. State squads may consist of no more than 18 players and 4 officials.
7. The final list of squad players must be presented to the AWSA prior to the first match of the tournament. No change to this list may be made thereafter. Only players on the final list may play in the tournament.
8. Completed team sheets must be given to the Referees Convenor no later than 30 minutes before the scheduled kickoff of each match.
9. The team sheet for each match list up to 7 reserves but only 5 of these reserves may be used in any one match. The substitutes may be used at any time during a match.
10. Players shirt numbers must accord with the final list presented to the AWSA and remain constant throughout the tournament.
11. Should there be a colour clash then the AWAY Team will be required to change its uniform.
12. Bicycle shorts or lycra tights will be permitted if they are above the knee only and the same colour as the predominant colour of the soccer shorts.
13. The first named team in each match fixture will be deemed the "home" team and the other deemed to be the "away" team.
14. Points will be awarded for each match as follows:
 - a) win - 3 points
 - b) draw - 1 point
 - c) loss - no points
15. If for any reason a State reports that it cannot field a team on a certain day during the tournament then the opposing team will be awarded two goals and three points.

16. Teams will be ranked in the following order from highest to lowest:

- 1) number of points awarded: then
- 2) goal difference: then
- 3) number of wins: then
- 4) number of goals scored.

If teams cannot be separated on these criteria then they will be declared joint placegetters.

17. If only four teams participate in the championship tournament. The table leaders at the end of the first round robin will be declared winners of the Association Trophy and the leaders at the end of both round robins will be declared Champions. The match on day 7 will be a feature match only.

18. In championships where 5 or more teams compete then the leading team after Day 6 will receive the Association Trophy.

The match on Day 7 will be a final played between the two teams leading the table to decide the championship. The winner of the final will be declared Champion.

19. In the event that two teams are absolutely equal in second place at the end of the preliminary rounds these teams will compete in a play-off match at a mutually agreed time before the scheduled final. The play-off will consist of 2 x 20 minutes halves with penalty kicks to determine the winner if the score is drawn at full time.

19. Should the final be a draw at full time then there will be a five minute break followed by extra time of 2 x 10 minutes. If the result is still a draw then penalty kicks (as per FIFA regulations) will be taken to determine the winner of the match and the winner will be declared Champions.

20. In the event of a final being cancelled or abandoned the winners of the Association Trophy will be declared Champion. In the event of a final being forfeited by one team the other team will be declared Champion.

21. After receiving three yellow cards during the tournament a player is automatically suspended for one match. Any player given a red card is automatically suspended for at least one match. Should the Chair of the Judiciary Committee decide that the offence may warrant a longer suspension then the matter may be referred to the Judiciary Committee.

22. Any suspension imposed under rules 21 will be for Championship matches only and must be carried forward if necessary to the next championship at which the player is a competitor listed in accordance with rule 7 whether or not the next such Championship is for the same age group.

23. Any player suspended will not wear the team strip and not sit on the team bench: and not be listed on the team sheet.

24. Players and officials in the reserves area must remain seated during play and will not shout instructions or they will be deemed to be "coaching from the sidelines" and may be treated accordingly by the referee. Team officials who situate themselves outside the reserves area and outside the field of play and its surrounds (such as behind the fence) may shout instructions and encouragement without incurring any penalty.
